

Japan IT Security Evaluation and Certification Scheme

Certificate

is awarded to

Certification Number: C0229

SC Square LTD.

Common Criteria Recognition Arrangement
for Components up to EAL4

Product Name: Apollo OS e-Passport

Version: 1.0

Type of IT Product: IT Product (IC chip firmware)

Evaluation Criteria:

- **Common Criteria for Information Technology Security Evaluation Version 2.3**
(ISO/IEC 15408:2005)

Evaluation Methodology:

- **Common Methodology for Information Technology Security Evaluation Version 2.3**
(ISO/IEC 18045:2005)

Assurance Level: **EAL4 Augmented with ADV_IMP.2, ALC_DVS.2**

Protection Profile Conformance: **YES(BSI-PP-0017)**

Name of CCTL: **TÜV Informationstechnik GmbH,**
Evaluation Body for IT-Security

Date of Certification: **July 27, 2009**

The IT product identified in this certificate has been evaluated at an approved evaluation facility established under the Japan IT Security Evaluation and Certification Scheme using the *Common Methodology for Information Technology Security Evaluation Version 2.3(ISO/IEC 18045:2005)*, for conformance to the *Common Criteria for Information Technology Security Evaluation Version 2.3(ISO/IEC 15408:2005)*. This certificate applies only to the specific version and release of the product in its evaluated configuration and in conjunction with the complete certification/validation report. This evaluation has been conducted in accordance with the provisions of the Japan IT Security Evaluation and Certification Scheme and the conclusions of the evaluation facility in the evaluation technical report are consistent with the evidence adduced. This certificate is not an endorsement of the IT product by the Information-technology Promotion Agency or by any other organization that recognizes or gives effect to this certificate, and no warranty of the IT product by the Information-technology Promotion Agency or by any other organization that recognizes or gives effect to this certificate, is either expressed or implied.

The misuse of this certificate, including its use regarding the IT Product or system or PP of a version differing from that appearing in this certificate or the use of certificate for publications, such as advertisements and catalogs, in an incorrect or misleading manner may result in withdrawal of this certificate.
